### 募集要項

A leading international luxury company is seeking a detail-oriented and motivated accounting professional to join their Finance team in Osaka. The role includes managing accounts payable and receivable, preparing financial statements and reports, budgeting and forecasting, cash management, and financial analysis.

#### Key responsibilities include:

- Handling daily accounting operations, including AP/AR and general ledger entries
- Reconciling bank statements, credit card transactions, and vendor accounts
- Supporting monthly financial statements and management reports
- Ensuring accurate coding and timely processing of invoices and expenses

- Assisting with internal and external audits
- Maintaining compliance with company policies and applicable laws
- Preparing journal entries and supporting month-end and year-end closing
- Analyzing financial data to identify discrepancies or trends
- Supporting budgeting and forecasting with relevant data and insights

This is a great opportunity for an accounting professional who enjoys both hands-on management and contributing to strategic financial operations within a high-end, global organization.
