募集要項

An industry-leading tech-based company is looking for recruitment professionals across various seniority levels:

- Senior recruiter (manager/senior expert level)
- Senior recruiter (mid-career level)
- Recruitment Coordinator

Be part of a truly international environment with the opportunity to impact recruitment beyond the borders of Japan.

Key Responsibilities

- Partner with hiring managers to plan and execute end-to-end recruitment processes.
- Source and engage candidates through market research.
- Manage end-to-end hiring processes with a focus on quality and speed.

- Support HR initiatives, including engagement and process improvements.
-

スキル・資格

Key Requirements

- Recruitment Coordinators must have 2+ years of HR/recruitment coordinating experience.
 - Senior recruiters must have 3+ years of end-to-end recruitment experience.
 - Business-level fluency in Japanese and English.
 - Strong stakeholder and communication skills.
 - Experience with ATS tools.
-
