募集要項

JOB DESCRIPTIONS:-

- Perform independent credit evaluations for corporate borrowers, providing risk mitigation strategies and recommendations to support informed credit decisions, highlighting key risks and mitigations.
- Ensure strict compliance with the Bank's credit policies, regulatory requirements, and internal guidelines while balancing profitable business growth and asset quality preservation.
- Monitor post-approval credit matters such as covenant compliance, conditions, and interim reporting to maintain portfolio integrity.
- Provide actionable insights and support to credit decision-makers, ensuring alignment with risk appetite and regulatory standard

JOB REQUIREMENTS:-

- Bachelor's degree in finance, banking, accounting, or a related field from a reputable university; professional credit certifications such as CCE, or BCP are an added advantage.

- Minimum 6–8 years of experience in banking or financial institutions, specializing in credit analysis, loan origination or corporate relationships manager
- Demonstrates strong credit analytical skills combined with sound business acumen.
- Well-versed in relevant banking regulations, rules, and guidelines.
