募集要項

An international automotive company is looking for an SQE. The selected candidate will function as a technical liaison to resolve supplier quality issues, ensure compliance, and drive continuous improvements in quality, service, and cost.

A multinational automotive maker based overseas. This organisation has manufacturing operations in several countries and commands highly renowned brands in the automobile sector. With a long-standing history and hundreds of thousands of global workforces, this company is a true industry leader.

Keywords:

サプライヤー品質保証, 自動車業界, 品質管理, 品質監査, サプライヤー監査, 技術サポート, 求人, 外資系

Job Ref: OA8P85

Responsibilities:

- Assess supplier quality systems and perform on-site audits at manufacturing locations
- Ensure suppliers understand and comply with quality requirements
- Monitor and support supplier implementation of APQP and PPAP for flawless launch
- Develop and execute plans to confirm the supplier's quoted capacity
- Monitor and improve supplier quality performance during development and production
- Support suppliers in identifying and resolving quality issues throughout the product lifecycle

Requirements:

- Bachelor's degree or equivalent in Engineering (Electrical, Mechanical, Welding, Plastics, Material, Chemical)
- Practical experience as Supplier Quality Engineer, Quality Assurance Engineer, Quality Control Engineer, Quality Management System internal auditor, or Manufacturing Engineer in the automotive industry
- Hands-on experience implementing APQP, PPAP, and Run@Rate/OEE
- Experience in problem-solving tools such as 8D, Red X, DFSS, FTA, 5-Why, Fishbone
- Knowledge of Core Tools, FMEA, SPC, and MSA
- Proficient in print reading, part measurement, and gage design
- Knowledge of AIAG CQI Special Process Audit preferred
- Ability and willingness to travel
- Possess a valid IATF Supplier Auditor Certification is a plus
- Native level Japanese; proficient in written and verbal English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
