募集要項

- Develop design concepts and architectural solutions across a range of project types and scales.
- Collaborate with multidisciplinary teams to integrate architecture with urban design, landscape, and engineering.
- Produce high-quality drawings, visualizations, and presentations for internal and client review.
- Support project documentation, including plans, sections, elevations, and details.
- Participate in design reviews, client meetings, and coordination sessions.

Requirements:

- Bachelor's or master's degree in architecture or related field.
- 3–5 years of professional experience in architectural design.
- Strong design and graphic communication skills.
- Proficiency in design and documentation tools (e.g., Revit, AutoCAD, Rhino, SketchUp, Adobe Creative Suite).
- Ability to work collaboratively in a fast-paced, international environment.
- Knowledge of sustainable design principles and building codes is a plus.
