募集要項

A multinational pharmaceutical firm is seeking a People Excellence Partner. The role will focus on enhancing employee experience through performance management, training, and process improvements.

A multinational pharmaceutical firm that delivers treatment options that could save lives, the company aims to increase access to medical treatment for global patients.

Keywords:

製薬, メディカル, サイエンス, 求人, 外資系

Job Ref: HTOCD1

Responsibilities:

- Implement HR policies and programs aligned with business and CoE guidelines

- Oversee recruitment, onboarding, and employee lifecycle processes
- Coordinate training programs and track development progress
- Support performance management and year-end calibration with People Business Partners
- Facilitate employee mobility, separation, and absence processes with People Services
- Promote system utilisation, continuous improvement, and organisational change initiatives

Requirements:

- Experience in change management
- Understanding of HR systems (especially Workday)
- Excellent project management skills
- Native level Japanese; business level English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
