### 募集要項

Job Title: Korean Account Manager

Location: Chennai

#### About the Role:

We are seeking a dynamic and fluent Korean-speaking Technical person to support our sales operations targeting Korean clients in India. This role is critical in bridging communication gaps, enhancing client relationships, and driving sales aligned with Keyence's high-performance standards

#### Key Responsibilities

Conduct sales calls and virtual meetings with Korean-speaking clients across India.

Act as a liaison between Korean customers and internal sales/technical teams.

Understand customer requirements and present tailored solutions based on companies product portfolio.

Translate and interpret technical and business discussions between Korean and English.

Maintain and grow relationships with existing Korean clients and identify new business opportunities.

Support documentation, proposals, and presentations in Korean as needed.

#### Required Skills & Qualifications

Fluency in Korean (spoken and written) is mandatory  
Proficiency in English for internal communication
