Job Summary

As a Director, you will lead teams, foster innovation, and drive excellence in delivery. You'll be responsible for mentoring talent, managing performance, and ensuring high-quality outcomes for clients. You'll also play a key role in identifying growth opportunities and promoting a culture of integrity and continuous improvement.

Key Responsibilities

- Lead end-to-end project delivery, including planning, budgeting, execution, and closure.
- Collaborate with leadership to ensure accountability for quality, timelines, and deliverables.
- Guide teams in analyzing complex systems and identifying improvement opportunities.
- Mentor and coach team members to build expertise and confidence.
- Navigate and resolve conflicts with clients and stakeholders professionally.

Key Requirements

- Proven experience in business application consulting or enterprise software implementation.
- Strong leadership and team management capabilities.
- Excellent communication and stakeholder engagement skills.
- Ability to think strategically and solve complex problems.
- Commitment to professional development and continuous learning.
