### 募集要項

#### Job Overview

The Ship Finance Manager plays a critical leadership role in maintaining the financial health of the entire cruise ship operation. This includes overseeing financial performance across gaming, hotel, food & beverage (F&B), entertainment, and general ship operations. The role ensures compliance with maritime and industry-specific regulations, drives profitability, and provides strategic financial insights to senior management.

This position leads a multidisciplinary finance team and collaborates closely with department heads to maintain accurate financial records, implement cost controls, and optimize revenue streams.

Working Location: Iskandar Puteri, Johor Bahru

#### Key Responsibilities

- Lead and manage the ship's finance team, including accountants, cage managers, hotel finance staff, and inventory controllers.
- Provide guidance and supervision through direct and indirect reporting lines.
- Oversee budgeting, forecasting, and financial reporting for all onboard departments: hotel, F&B, gaming, entertainment, and ship operations.
- Develop and implement financial strategies to enhance revenue and cost efficiency.
- Manage cash flow, revenue tracking, and financial risk across all business units.
- Monitor daily revenue reconciliation from hotel bookings, dining outlets, bar sales, gaming, entertainment, and other sources.
- Ensure adherence to maritime financial regulations, gaming laws, hospitality standards, and tax requirements.
- Prepare and analyze financial statements, balance sheets, and profit & loss reports.
- Oversee financial audits and ensure regulatory compliance.
- Implement and manage ERP systems, financial software, and onboard accounting technologies.
- Develop and enforce financial policies, procedures, and internal controls to safeguard assets.
- Manage shipboard inventory control, procurement, and expense tracking.
- Collaborate with ship leadership, department heads, and corporate executives to support strategic planning.
- Maintain relationships with external stakeholders including auditors, tax authorities, financial institutions, and suppliers.

### Job Requirements

- Bachelor's degree in Finance, Accounting, Business Administration, or related field.
- CPA, CFA, or equivalent professional certification preferred.
- 5–7 years of financial management experience, ideally in gaming, hospitality, cruise, or maritime industries.
- Strong analytical and strategic planning skills.
- Knowledge of hospitality revenue management, gaming financial regulations, and maritime compliance is a plus.
- Proficiency in financial software and ERP systems; experience in system setup and team establishment.
- Excellent leadership and communication skills with experience managing finance teams across multiple revenue centers.
- Ability to thrive in a dynamic, fast-paced environment and manage multiple priorities effectively.
