Overview of position

The Finance department at Temple University, Japan Campus (TUJ) provides financial services to over 420 staff and faculty across 29 academic and non-academic departments and programs. The accountant will be responsible for a wide range of accounting and administrative tasks, including daily bookkeeping, monthly closing, wire transfers, and other related financial operations.

Primary Responsibilities

- Review internal financial documents and forms (e.g., expense reports, payment requests, cash advance requests) for accuracy and compliance with both internal and external policies
- Provide feedback and request corrections and resubmission as needed
- Prepare vendor payments by bank transfer in a timely manner
- Process employee expense reimbursement and prepare
- Prepare any other cash or bank transfer payments in an appropriate manner
- Handle cash advance requests, settlement and repayment.
- Receive cash repayment by departments and deposit to the bank account
- Record journal entries for all relevant transactions on a daily basis during monthly closings
- Create and maintain vendor IDs including updates bank account information
- Communicate with vendors and employees regarding inquiries on payments
- Organize and file all related documents and vouchers appropriately
- Perform other administrative roles assigned by the Accounting Manager and Chief Financial Officer

Application Process

Review of applications will begin immediately and will continue until the position is filled. Ideal start date is December 2025 or shortly thereafter.

Please apply from below link.
