Company and Job Overview

An international design and consulting firm focused on architecture, urban planning, interiors, and project management.

Job Responsibilities

Lead overall operations and growth strategy for the Vietnam office.
Set long-term plans and KPIs, ensuring execution and performance.

Build client relationships and expand market presence.

Oversee project delivery and resource allocation.

Manage team development, recruitment, and performance.

Handle budgeting, financial oversight, and reporting to HQ.

Job Requirements

- Background in architecture or construction.
- Strong leadership and organizational management experience.
- English proficiency for business communication.
- Experience with large-scale projects.
- Knowledge of financial planning and KPI management.

Benefit

Competitive salary and attractive benefits package

Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
