Figure 1 is a 10x10 grid of squares, representing a 10-year timeline. The timeline is divided into four phases: PM (Pilot Run), VT DG (Verification and Testing, Design and Construction), TW (Turnover), and MIL (Military). The phases are labeled with their respective years: PM (1-5), VT DG (6-10), TW (11-15), and MIL (16-20). The grid shows the progression of the project over time, with the phases labeled at the top and bottom of the grid.
