募集要項

Our client is a Malaysian engineering company specializing in green technology and renewable energy solutions. They are seeking an experienced **Senior Accounting Executive** to join a dynamic team in Penang. This role is ideal for professionals who are detail-oriented, highly organized, and passionate about financial accuracy and compliance.

Job Responsibilities

- Assist the Finance Manager in overseeing the day-to-day administration of finance and accounts operations, including staff supervision

- Ensuring the preparation of accurate, timely and relevant statutory and management reports to comply with regulatory requirements and support strategic business goal

- Controlling and reviewing finance processes and reporting activities

- Managing cash flow forecast, AR, AP and other treasury related activities

- Compiling and reviewing audit schedules, liaising with auditors and reviewing statutory audit reports

Job Requirements

- Possess strong analytical abilities to interpret financial data, identify trends and provide meaningful insights

- Meticulous attention to detail, ensuring accuracy in financial records and reports

- Adapts well to changes in accounting standards, organizational processes and industry regulations

- At least 3 years of experience in full set accounting

- Candidate with leadership experience has added advantage
