募集要項

Company Overview

A leading provider of advanced adhesives, sealants, and chemical solutions for automotive, electronics, and industrial applications are seeking a Sales Engineer to innovation, we deliver high-quality products and services that meet the evolving needs of our customers.

Job Responsibilities:

- Drive sales growth by managing existing customers and actively seeking new business opportunities.
- Achieve assigned sales targets and complete tasks with timely reporting.
- Participate in weekly meetings and monthly meetings at KL office (Penang staff travel required).
- Maintain strong customer relationships across OEM and Aftermarket segments (factories, dealers, distributors, workshops, hardware shops).
- Adapt to evolving sales strategies and contribute to company revenue through proactive engagement.

Job Requirements:

- Diploma or Degree holder.
- 1–2 years of experience in sales (fresh graduates will be considered).
- Own a car and willing to travel/outstation as needed.
- Strong communication, negotiation, and relationship-building skills.
- Self-motivated, target-driven, and able to work independently under minimal supervision.
