募集要項

Company and Job Overview

Our client is a MNC company specializing in producing epoxy encapsulation molding compounds for the semiconductor industry. They are now seeking for experienced Sales & Marketing Executive to drive their business growth.

Job Responsibilities

- Provide excellent service to existing accounts to generate revenue for the company
- Develop and implement sales strategies to achieve business development
- Maintain close contact with clients, addressing customer issues, queries, and requirements
- Prepare monthly sales reports with sales data and project updates for HQ
- Participate in conferences, group meetings, and exhibitions to deliver presentations at customer sites
- Monitor payment status (credit control), stock control, delivery status, and shipping arrangements for overseas clients

Job Requirements

- Candidate must possess at least a diploma in any field
- At least 1- 2 years of sales experience in semiconductor or industrial market
- Excellent communication and presentation skills
- Knowledge of MS Office, i.e., Excel, Word, and PowerPoint
- Good working attitude, responsibility, and self-motivation in assisting customers and taking initiative
- Willing to travel to Northen Region of Malaysia
- Able to start work immediately or within short notice is an added advantage

Interested applicants, feel free to click **APPLY NOW**.
