募集要項

Company and Job Overview

A Japanese specialized logistics company focusing on chemicals and hazardous materials is looking for ESMC Biz Operation Manager (m/f/d) to oversee all logistics operations for a key client in Dresden. This role will be responsible for managing end-to-end supply chain activities, ensuring smooth transportation, warehousing, and inventory processes, and acting as the main point of contact for the client.

Job Responsibilities

Coordinate and negotiate with stakeholders (clients, partner companies) regarding warehouse setup and cargo reception. Design and prepare operational processes for start-up; daily cargo handling will be managed by partner companies. Manage overall logistics operations, including transportation, warehousing, and inventory control. Serve as the primary liaison between the client, partner companies, and internal teams. Collaborate and hold regular meetings with the Japanese headquarters and expatriates. Monitor and optimize operational processes to improve efficiency and reduce costs. Oversee operation management for CS staff and partner companies. Track and report key performance indicators (KPIs) related to logistics and supply chain operations.

Handle problem-solving and escalation for any operational issues.

Job Requirements

Native-proficiency in German and business-level English

Mandarin or Japanese language skills are a plus

Experience as a project manager in supply chain within the logistics industry or in a manufacturer/trading company

Understanding of warehouse operations

Experience or knowledge in handling chemicals or hazardous materials

Benefits & Others

Working Hours: 40 hours per week (9:00–17:00, with a 1-hour lunch break / flexible working hours available / remote work negotiable, with designated office attendance days)

Paid Leave: 30 days per year

Work location: Dresden

Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
