募集要項

A global luxury goods company is looking for a Demand & Distribution Planning Specialist. The selected candidate will manage product allocation, stock control, and demand forecasting across regions.

This company originating in Europe has a rich history in the luxury goods market and continues to be a name synonymous with excellent design and craftsmanship. With a diversified range of luxury offerings, this brand commands a dominating presence in the world's most exclusive shopping areas.

Keywords:

サプライチェーン, 物流, ロジスティクス, 求人, 外資系

Job Ref: G8J2WK

Responsibilities:

- Manage product launches and stock control for permanent and cross-seasonal products
- Create and align allocation plans with Merchandisers
- Adjust system settings for target stock levels and store capacities
- Collaborate with Logistics and HQ on shipments and deliveries
- Conduct weekly and monthly stock rebalances across stores and regions
- Generate and analyse sales and stock reports, support special allocations and store operational rules

Requirements:

- 3-5 years of D&D experience in retail
- Proficient in MS Office Suite
- Interest in fashion
- Native level Japanese; proficient in written English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
