募集要項

Sales Position (Automotive Industry)

Position Overview

This role leverages technical knowledge while engaging in sales activities and client interactions. You will work closely with major automotive manufacturers and Tier 1 suppliers, providing product proposals, design support, and project management.

Main Responsibilities

Design of rubber gaskets and related products (model creation, drawing preparation)
Meetings and daily communication with automotive manufacturers and Tier 1 suppliers
Project progress management
Coordination with the Japanese technical team
Market research

Preparing quotations based on customer requests
Sales activities (mainly existing clients)

Clients

European automotive manufacturers such as Audi, Porsche, BMW
Primarily existing clients (5–10 accounts)

Requirements

Mechanical Engineering background
Experience: Automotive industry experience preferred (but not mandatory)
Languages: English and German
Passion for cars and willingness to learn product knowledge

Working Conditions

Travel: Within EU, approximately once every 2 weeks (1–3 nights per trip)
Probation: 6 months
Salary: Up to 50k–€65K (negotiable)

Notice: By submitting an application for this position, you acknowledge and consent to the disclosure of your personal information to the Privacy Policy and Terms and Conditions, for the purpose of recruitment and candidate evaluation.
