募集要項

Company and Job Overview

A Japanese Cooperation Hanoi Representative Office is looking for a Researcher/ Senior Officer

Job Responsibilities

- Liaison Role: Serve as a core liaison with the Vietnamese government and state-owned enterprises, ensuring smooth communication and relationship management.
- Client Understanding: Stand at the forefront to understand client organizations' true intentions, sentiments, and backgrounds, providing accurate feedback, advice, and recommendations to the team.
- Information Requests: Respond promptly to information requests from headquarters related to project formation and existing loans, coordinating with local counterparts for accurate data.
- Meeting Coordination: Arrange and coordinate meeting schedules and locations, ensuring all logistical aspects are managed efficiently.

- **Communication Preparation:** Prepare necessary letters and follow-up communications to maintain clear and effective communication channels.
- **Interpretation Services:** Provide English-Vietnamese interpretation during meetings, ensuring accurate translation of nuanced meanings and politically correct phrasing when possible.
- **High-Level Meeting Coordination:** Organize and coordinate high-level meetings between senior management and top Vietnamese government officials (Prime Minister, Ministers, Vice Ministers).
- **Information Collection:** Collect and analyze daily news and updates from various sources, including open sources and non-public information obtained through personal connections.
- **Insightful Reporting:** Provide high-value insights on incidents, their backgrounds, and future implications to inform strategic decisions.
- **Political Updates:** Monitor and report on updates regarding key Vietnamese government officials, including their relocation and changes in stance.
- **Regulatory Trends:** Track and analyze trends in Vietnamese electricity regulations and international responses, providing detailed reports.
- **Research Requests:** Respond to research requests from expatriates on various topics such as politics, economy, industry, and energy, ensuring comprehensive and timely responses.
- **Administrative Tasks:** Prepare and submit regular activity reports, update licenses, and coordinate with private consulting firms for research reports, meeting arrangements, and contract renewals.

Job Requirements

- Advanced English Proficiency
- Experience with Vietnamese Government
- Knowledge of politics, electricity, and energy.
- Understanding of Japanese organizational and corporate culture.
- Possess dignity to act for Japan-Vietnam cooperation beyond personal interests, gain trust, and build long-term relationships.
- Professional mindset: Proactively collects, analyzes, and shares information within their area of responsibility.
