募集要項

Overview

Conduct market research on the urology catheter segment in Indonesia, focusing on local regulations and TKDN (local content) requirements.

Responsibilities

- Analyze market size, trends, and competitors.
- Review TKDN regulations and compliance requirements for medical devices.
- Identify potential local partners and suppliers.
- Provide insights to support market entry and regulatory strategy.

Requirements

- Bachelor's degree in relevant field.

- Experience in market research or healthcare industry.
- Knowledge of Indonesian medical device regulations and TKDN framework.
- Strong analytical and communication skills.
