募集要項

An international financial services company is seeking a Vice President for Japan Markets Surveillance. The successful candidate will oversee a team responsible for detecting and investigating market misconduct and ensuring compliance with global standards. This is a hybrid role.

This organisation is a subsidiary of one of the largest investment banks in the world. They have found success in offering security brokerage and dealing services to several companies.

Keywords:

マーケットサーベイランス, 金融サービス, コンプライアンス, 規制対応, マーケットモニタリング, 内部監査, リスク管理, 金融市場, 求人, 外資系

Job Ref: NKT4HI

Responsibilities:

- Lead the Japan market surveillance team in monitoring trading activities and identifying irregularities
- Conduct investigations into potential market manipulation, insider trading, or other misconduct
- Provide business support for projects enhancing the market surveillance framework
- Act as key contact for regulatory inquiries and internal or external audits
- Deliver accurate reports on surveillance findings to regulators and management
- Oversee the implementation of controls and ensure alignment with the firm's global standards

**Requirements:**

- More than 5 years of experience in trade surveillance or markets compliance
- Native level spoken and written Japanese; business level spoken and written English

---

**会社説明**

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
