募集要項

A renowned financial services company is seeking an Operational Risk Management Team Member. The selected candidate will support risk assessment, analysis, and process improvement across the organisation.

A financial services and financial management consulting organisation, this company has a long history and operations spanning the globe. With a global workforce in the tens of thousands, this organisation is a true market leader.

Keywords:

金融サービス, オペレーショナルリスク, リスク管理, 求人, 外資系

Responsibilities:

- Analyse operational risk events and identify root causes
- Assess and recommend measures to prevent recurrence
- Conduct and enhance Risk and Control Self-Assessments (RCSA)

- Collaborate with business units to strengthen risk management systems
- Share information and align processes with overseas members
- Liaise and coordinate with domestic departments

Requirements:

- Experience in risk management (operational risk management), compliance, IT, or audit departments at financial institutions is a plus
- Prior experience in business process improvement activities or system development is preferred
- Interest in operational risk management and business/ process improvement
- Native level Japanese; business level English

Job Ref: YOHPAJ

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
