募集要項

Position: Production Staff (Label Design)

Location: The PARQ building, Bangkok

Salary: 35,000 - 55,000 THB

Responsibilities:

- This role involves creating prototype prints for packaging items, such as shrink labels for beverages and bag packages. (We do not conduct package printing for the final products, only for prototypes.)
- The main task will be editing the data that serves as the basis for the printing plates, using Illustrator and Photoshop.
- Use design data with software such as Adobe Illustrator and Photoshop to adjust colors, produce printed materials, and carry out assembly work
- Work closely with sales representatives (Japanese and Singaporean) to execute tasks effectively
- This includes adjusting the design layout, editing text, and color correction.

- Additionally, there will be tasks such as wrapping the printed labels or sheet-like films around bottles and manually assembling bags.

Qualifications

- Experience in packaging design and printing fields.
- Strong in Illustrator and Photoshop skills
- Can communicate in English
- Who has sense of Aesthetic check / Color check / Work ability / Craftsmanship
