#### 募集要項

We are seeking a female professional to oversee and lead the Backoffice Department. This role is equivalent to a "Head of Backoffice" and requires strong coordination skills between internal teams, customers, and suppliers.

- Act as the central contact point for inquiries from customers and suppliers.
- Coordinate effectively with factory operations and production teams to ensure smooth communication and resolution of issues.
- Supervise and manage the Administration Department, including accounting, HR, production control, safety management, and ISO compliance.
- Provide leadership and guidance to a team of 11 staff members (including 1 Accounting Manager, 1 HR staff, 6 Production Control staff, 1 Safety staff, and 1 ISO staff).
- Ensure efficient administrative processes and contribute to overall organizational management.
- Represent the company in communication with Japanese clients, requiring fluency in Japanese.

**Notice:** By submitting an application for this position, you acknowledge and consent to the disclosure of your personal information to the Privacy Policy and Terms and Conditions, for the purpose of recruitment and candidate evaluation.
