募集要項

≪Job Description and Benefits of This Position≫

- Design and development of electrical connectors and evaluation for compliance with international standards
- Collaborate with global teams to take a central role in product design
- Overseas business trips and participation in international projects included
- An environment where you can utilize your Japanese and English skills

【About Us】
The ZAMA Group is a full-service supplier and a global market leader in fluid and fuel management systems, precision machined parts, and electrical and electro-mechanical solutions, with a legacy of operational excellence.
We are looking for a motivated Electrical Connector Design Engineer to create and develop electrical connector designs with our team.
Your expertise will be key to our success. Apply now!

【Responsibilities】

- Create and develop electrical connector designs that meet specification requirements.
- Ensure that all designs comply with industry standards and regulations, such as UL, IEC, and RoHS, while maintaining adherence to quality and safety guidelines.
- Lead design reviews and contribute to continuous improvement initiatives to enhance product performance and reduce costs.
- Analyze test data, identify potential risks and recommend design improvements to the development team.
- Work closely, remotely or on site via business trips, with an international engineering and manufacturing team to ensure seamless realization of electrical connectors
- Participate with the Quality Assurance team to ensure compliance with industry standards, such as ISO, IPC, etc.

Organization Structure
Japan entity: approximately 10 employees
A young and dynamic team with a friendly and collaborative work environment.

【About Hachimantai City】 ★No relocation required / Commuting by car is welcome
Located in a beautiful natural setting surrounded by lush greenery and the majestic Mount Iwate, Hachimantai offers a peaceful and comfortable living environment.
The area is also home to a variety of leisure attractions, including hot springs and ski resorts, making it an ideal place for those who enjoy outdoor activities and nature.
Morioka City is also accessible by car, and commuting by car is the norm in this area. Enjoy a fulfilling lifestyle where you can make the most of both your career and your free time in a beautiful natural environment!
