募集要項

Project Support PMO:

- Supporting PMs on medium to large-scale (several hundred million to several billion yen) projects
- Managing offshore development in Vietnam
- Providing emergency support for other projects (as PM/PMO/Project Lead)

Client Support PMO:

- Supporting PMs on client projects
- Coordination and support within the client organization

*The following tasks are common to both roles:

- Standardizing project management and improving processes
 - Supporting the operation and implementation of project management tools
 - Progress management, issue tracking, risk management, quality control, and document management
 - Meeting facilitation and minutes taking
 - Project visualization and reporting
-

スキル・資格

Required Qualifications:

- Experience as a Project Manager or in a Project Management Office (PMO) role in software development
 - Experience in system development as a systems engineer (from requirements definition to testing)
 - Knowledge, perspective, and implementation experience in project management methodologies within the IT industry
 - Native-level Japanese proficiency (English proficiency not required)
 - No specific educational background required
-
