募集要項

Sales Engineer – Cutting Tools

Salary: 40,000 – 70,000 THB (negotiable plus commission)

Location: Bang Na area

Responsibilities

- Develop and grow sales of cutting tools within manufacturing and machining customers.
- Visit customers to understand machining needs and provide suitable tooling recommendations.
- Conduct tool trials, support applications, and deliver productivity or cost-saving solutions.
- Work with distributors and end-users to expand market presence.
- Monitor competitors and prepare basic sales reports and forecasts.

Qualifications

- Bachelor's degree in Mechanical/Industrial/Tool Engineering or related field.
- 2–5 years experience in cutting tools, CNC machining, or technical sales.

- Strong understanding of machining processes (milling, turning, drilling).
- Ability to read engineering drawings and provide technical solutions.
- Good communication skills. Hold driving license

Interested candidates, please send your resume in English to us.
