募集要項

Job Description:

Job Title: Manager - Business Development

Job Location: Aerocity, New Delhi

Educational Requirements: Degree in Engineering, MBA, or related discipline, with a minimum of 3 years' experience in commodities, preferably in metals, battery materials or PGM's.

Roles & Responsibilities:

- Conduct in-depth research and analysis on supply, demand, pricing trends and trade flows for battery raw materials, PGM's, molybdenum, developing clear views on short and long-term market outlooks.

- Prepare regular and market intelligence reports, and track regulatory, policy and macroeconomic developments affecting these commodities to support procurement, sales and investment decisions.
- Support the Ferrous team with structured market intelligence on key steel raw materials.

Notice: By submitting an application for this position, you acknowledge and consent to the disclosure of your personal information to the Privacy Policy and Terms and Conditions, for the purpose of recruitment and candidate evaluation.
