募集要項

Key Responsibilities

- Lead and execute the company's financial strategy, planning, and performance management.
- Oversee financial planning, budgeting, rolling forecasts, and cash flow management.
- Manage statutory reporting, management reports, audit, and tax compliance.
- Analyze manufacturing costs, margins, and business performance to support decision-making and cost optimization.
- Ensure compliance with accounting standards, corporate governance, and regulatory requirements.
- Develop and strengthen internal controls, financial systems, and processes.
- Lead, mentor, and develop a high-performing finance team.

- Act as a key business partner to senior management and manage relationships with auditors, banks, and financial institutions.

Requirements

- Bachelor's degree in Finance, Accounting, or a related discipline; professional qualification preferred.
- 10+ years of progressive experience in finance/accounting within a multinational manufacturing environment, including senior leadership exposure.
- Strong knowledge of GAAP, IFRS, financial reporting, budgeting, forecasting, and manufacturing costing.
- Proven leadership, analytical, and stakeholder management skills.
- Able to work independently, manage multiple priorities, and meet deadlines in a fast-paced environment.
