募集要項

Company and Job Overview

JAC's client, a Japan construction company, is seeking for an Architectural Design Manager – Industrial Projects position.
Location: Ho Chi Minh City

Job Responsibilities

- Control day to day Design Dept.'s operation activities
- Lead Design team to prepare architectural drawings including details.
- Creating architectural parts library for CAD and BIM
- Maintaining drawing data on server
Control the process of creating

- Design proposal & review conceptual, basic and detail design drawing & specifications.
- Responsible to develop & review building permit application drawings & spec.
- Responsible to co-ordinate with Structural, M&E, Cons Dept. and control Design processes for all projects.
- Co-ordinate and negotiate with relevant parties (government authorities, consulting, project teams, sub-contractors,...) to ensure proper execution.
- Make application & design schedule to get Client's requirement
- Issue Design Drawings & specification to Client and other Departments.
- Cooperate with AR to develop the company's Design Team and align to AR-Group Targets

Job Requirements

- University graduate with a degree in architecture.
- Competency Licenses with at least Grade II.
- Over 10 years of experience in architecture. Experiences of construction, or related fields are preferred but not required.
- Knowledge and experience in designing architecture for industrial/factory projects.
- High proficiency in speaking and writing English.
- Proficient in PC skills (CAD, Microsoft Office, 3D software, Adobe Photoshop, and Illustrator, BIM if any).
- Knowledge of architectural laws, city planning laws, fire laws, etc., as an architect should have.
- Ownership of assigned tasks, cooperative, flexible, and eager to learn new areas.
- Strong organizational, leadership and time management skills.
- Ability to complete a design as part of a team rather than individually.
- Ability to manage team and reach a good collaboration with internal Depts. To meet Clients' requests
- Language: Advanced English
