募集要項

A global data services company is looking for a Finance Controller. The qualified candidate will lead and manage all accounting operations, including financial reporting, cash and treasury management, tax compliance, and financial governance. This is a hybrid role.

A leading global provider of hyperscale and colocation data centres, supporting mission-critical IT infrastructure across diverse industries. Known for high-performance connectivity, scalability, and operational excellence in key markets across Europe and Asia.

Keywords:

財務, 経理, 管理職, IT, 外資系

Job Ref: 8DZSPQ

Responsibilities:

- Transform, develop and manage the company's accounting team
- Handle all financial accounting operations in Japan, including transaction processing and statutory reporting

- Operate cash and treasury management
- Ensure tax accounting and operations compliance
- Own financial governance in Japan
- Handle internal and external audits
- Work closely with internal and external stakeholders and business partners
- Partner with Japan functions across the company
- Act as right-hand support to the Japan Finance Director

Requirements:

- Professional financial qualification or graduate-level degree in a finance-related field (CPA and/or related qualifications are advantageous).
- More than 4 years in a similar role or one leading up to this position
- Entrepreneurial mindset to create a new stage of organisational development.
- Proactive and independent in terms of managing the responsibilities and communicating effectively with all stakeholders (internal/external)
- Native level Japanese; business level written and verbal English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
