#### 募集要項

#### Job Responsibilities:

This role involves managing translation and copy-editing tasks, ensuring high-quality linguistic deliverables for assigned projects or accounts. Responsibilities include coordinating with freelancers and agencies, maintaining language resources, resolving terminology queries, and collaborating with clients and internal teams to enhance workflow efficiency. The position also supports broader team efforts through editing, error arbitration, and active participation in quality initiatives.

The following is a non-exhaustive list of responsibilities and areas of ownership for this role:

- Performing copy-edit tasks on assigned projects or accounts
- Performing on-demand translation tasks
- Performing lead linguist role on assigned accounts
- Taking ownership of deliveries that were translated internally or by external partners for one or more accounts into their target language
- Preparing, managing and maintaining the language materials (including glossaries, Style Guides, work instruction) up to the quality standards and up to date as required by the account or project
- Managing project-related queries
- Ensuring good interaction among team members and resolving questions on terminology and language matters
- Coordinating with freelancers, agencies and internal linguists on assigned projects or accounts
- Testing and qualifying new freelancers and vendors as required
- Developing and training of internal linguists/new and existing freelancers according to the accounts' and Welocalize's needs
- Interacting with clients on linguistic matters as required
- Participating in the development of new and improved working processes. Propose process improvements.
- Meet or exceed the KPIs in terms of productivity, on time delivery, quality
- Achieving the goals set by the team manager

## スキル・資格

### Education Level
