Our client, a leading company in the cryptocurrency and blockchain industry, is seeking an Internal Audit Director to enhance governance and compliance with Japanese regulations. This role offers the opportunity to lead the development of internal control systems from scratch and engage directly with executive management and regulatory bodies. Benefits include comprehensive social insurance, a hybrid work model, and a flexible work schedule with 125 annual holidays.

## Key Responsibilities:

- Develop strategic audit plans based on risk assessments
- Evaluate internal controls for financial reporting reliability
- Conduct comprehensive compliance audits for regulatory adherence
- Liaise with regulatory bodies and prepare detailed reports
- Collaborate with global audit teams for governance alignment

- Report audit findings to board and provide strategic advice

**Qualifications:**

- 3-10 years in financial audit for crypto, securities, or banking
- Fluency in Japanese
- Deep understanding of Japanese regulatory environment
- Experience creating detailed audit reports for regulatory bodies
- Certified Internal Auditor (CIA) or similar certification is preferred but not mandatory

**Benefits:**

- Hybrid work setup (2-3 days in office)
- Flexible work hours
- Comprehensive social insurance
