- Prepare and submit required reports and documentation to the Tokyo Metropolitan Government in compliance with applicable regulations.
- Follow regulatory procedures, including amendments to the articles of endowment (寄附行為) and school regulations (学則), ensuring timely and accurate filings.
- Coordinate with department managers to develop, monitor, and manage the annual budget.
- Review monthly, quarterly, and annual financial closing processes to ensure accuracy and compliance.
- Prepare financial reports, forecasts, and analysis to support decision-making.
- Develop and prepare materials for the Board of Directors and the Board of Trustees, including budget reports and financial statements.
- Support and coordinate audit processes, including external and internal audits.
- Support the Director of Business Operations in financial planning, compliance, and strategic initiatives.
- Lead and support finance-related projects and cross-functional initiatives.
- Ensure compliance with relevant Japanese laws, regulations, and internal policies.
- Maintain accurate financial records and strengthen internal controls.
- Develop and mentor accounting staff to enhance team capability and performance.

■Other Responsibilities :

- Collaborate with internal stakeholders to improve financial and reporting processes.
- Support communication and coordination with external authorities and organizations.
- Contribute to continuous improvement in financial management and regulatory compliance practices.

■Responsible to:

Director of Business Operations
