募集要項

The Inside Sales position will support the commercial team through customer communication, quotation management, order coordination, and general sales support activities. This role is ideal for someone who enjoys a fast-paced environment and working closely with both internal and external stakeholders.

企業情報

A global industrial manufacturing company providing specialized solutions to clients across various industries. With an established international presence and a strong customer base in Japan, the company offers a stable yet dynamic working environment.

職務内容

- Respond to customer inquiries and provide sales support
- Prepare quotations, proposals, and related documentation

- Manage order processing and delivery coordination
- Collaborate closely with the sales team and other internal departments
- Maintain and update CRM/customer data
- Communicate with overseas offices when necessary

条件・待遇

- Join a well-established global manufacturer with a strong reputation and long-term stability in the market
- Opportunity to work in an international environment and communicate with overseas stakeholders on a regular basis
- Gain broad exposure across sales support, customer relations, operations, and cross-functional coordination
- Collaborative and team-oriented culture with a flat organizational structure and open communication style

Page Group Japan is acting as an Employment Agency in relation to this vacancy.

スキル・資格

- Experience in Inside Sales, Sales Support, or related functions
 - Proficiency in Japanese and English communication
 - Strong communication and organizational skills
 - Ability to manage multiple tasks in a fast-paced environment
