 - Own and deliver the Local FM People Plan (Japan) aligned with business strategy and operational priorities
 - Translate Japan and Regional People strategies into effective execution
 - Influence leadership decision making on people and organizational matters
2. Portfolio Change Workforce Impact
 - Lead People impact planning and execution related to portfolio and service delivery changes
 - Ensure compliant and well managed workforce outcomes
 - Proactively identify and mitigate people related risks
3. Employee Relations Labor Risk Leadership
 - Take ownership of complex and high risk employee relations cases
 - Act as an escalation and mediation point as required
 - Provide expert guidance on labor risk policy application and compliance
 - Lead responses to labor inspections audits and regulatory matters
 - Manage works council or union related matters as applicable
4. Annual People Processes Workforce Planning
 - Own local delivery of annual People processes (performance reward promotion job evaluation)
 - Lead talent and succession planning aligned with business and regional strategies
 - Ensure consistent and compliant application of pay and reward frameworks
 - Own workforce planning to secure required capabilities
5. Talent Engagement Culture
 - Lead leadership and talent development priorities in partnership with People functions
 - Own and continuously improve the Local FM onboarding experience
 - Drive action planning from employee engagement results
6. Data Systems People Governance
 - Translate People data and trends into actionable insights for leaders
 - Act as custodian of People data ensuring accuracy and governance
 - Champion effective adoption and governance of People systems
 - Partner with Regional People leadership and Centers of Excellence
7. Leadership within the People Function
 - Provide leadership and guidance to People BPs and People Advisors
 - Contribute to the maturity and credibility of the Japan People team
 - Participate in regional and cross functional People initiatives
