募集要項

This role will be marketing and business development manager initiatives across key legal practices, including Dispute Resolution, Intellectual Property, Corporate/M&A, Antitrust, Real Estate, and Energy & Project Finance.

Key responsibilities:

- Assist the Tokyo BD and marketing team and local partners with business plans and initiatives

- Help partners build client relationships, share information, and increase the Firm's visibility with Japanese and international clients
 - Lead client relationship development activities, including seminars, conferences and events
 - Manage pitch preparation, proposals, and presentations, collaborating with partners, associates, and trainees
 - Work with the Tokyo Senior BD & Marketing Manager and PR agency to enhance media engagement for practice leaders
 - Ensure efficient Business Development Infrastructure is in place, including credentials and lawyer CVs, with systems for data capture, analysis, and reporting
-

スキル・資格

- 5+ years of relevant experience in business development/communications, ideally within a global law firm or similar environment
 - Native-level Japanese and advanced English
 - Prior experience and knowledge of working within Asian markets is preferable
