募集要項

A global financial services company is looking for an Associate, Private Equity | Real Assets. The selected candidate will support private equity and real assets transactions across Japan, from deal origination and valuation to due diligence, negotiations, and internal approvals.

An industry leader that offers a number of financial services to customers from more than 25 countries in the world. They are one of the most prominent financial organisations listed on the Tokyo Stock Exchange.

Keywords:

金融, 金融業, 銀行, 投資,ファイナンス, 求人, 外資系

Job Ref: 5SYS1T

Responsibilities:

- Manage transaction execution across financial modelling, valuation, due diligence, documentation, and approvals
- Support the origination of new investment opportunities and transaction ideas
- Review asset acquisitions, including impact analysis and funding strategy

- Prepare management reports, board materials, marketing decks, and investor relations materials
- Handle deal administration, including NDA drafting and transaction documentation
- Collaborate with investors, legal advisors, financial advisors, and other transaction stakeholders

Requirements:

- More than 3 years of experience in investment management gained from asset management, private equity, mergers & acquisitions, investment banking, management consulting or advisory division within a major accounting firm
- Excellent financial modelling skills
- Proficient in MS Excel
- Fluent level English and Japanese

Preferred requirements:

- Experience in transaction in relevant sectors, such as infrastructure, energy, industrial

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
