募集要項

A multinational investment management company is looking for a Deal Associate/Analyst. The selected candidate will evaluate investment opportunities, conduct strategic and financial analysis, and support portfolio development across diverse industries.

A leading global private investment company with nearly 40 years of experience across a range of sectors and industries, including private equity, public equity, credit, venture capital and real estate.

Keywords:

投資分析, 財務モデリング, 戦略分析, 投資管理, ポートフォリオ管理, コンサルティング, 定量分析, 求人, 外資系

Job Ref: 2OC0AQ

Responsibilities:

- Analyse investment opportunities using strategic analysis and financial modelling
- Support evaluation of deals across multiple industries and investment types
- Conduct quantitative and business analysis to assess potential investments

- Assist in managing portfolio company initiatives, including add-on investments and operational improvements
- Contribute to liquidity planning and investment strategy execution
- Participate in training programmes to develop value-added investment capabilities

Requirements:

- Bachelor's degree or above
- More than 2 years of experience in management consulting, investment banking, or equivalent
- Experience in investment analysis, financial modelling, or strategic evaluation
- Possess exceptional business analytical and quantitative skills
- Professional level Japanese and English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
