Responsibilities:

- Lead financial management across accounting, regulatory reporting, budgeting, and business planning
- Oversee billing, AR/AP, general ledger, and cash flow operations
- Prepare monthly, quarterly, and annual financial reports, including closing activities

- Manage budgets, forecasts, and variance analysis to support business decisions
- Partner with cross-functional teams and senior leadership to improve financial performance
- Strengthen compliance, internal controls, audit coordination, process improvements, and team development

Requirements:

- Bachelor's degree or above
- 7-8 years of experience in a similar role, preferably with accounting expertise
- Background in accounting and analysis
- Proficient in MS Office Suite (Advanced MS Excel skills)
- Skilled in ERP
- Professional level Japanese and English

Preferred requirements:

- Experience in a regional context

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
