募集要項

A renowned management consulting firm is seeking a Senior Specialist, Research and Data Services. The selected candidate will lead research projects, support asset building, and contribute to knowledge management. This is a hybrid role.

An award-winning management consulting firm that empowers top executives and other professionals to make informed, intelligent decisions. Headquartered in the United States, the company has offices in multiple countries and a diverse client base that ranges from large MNCs to small start-ups.

Keywords:

調査、データサービス、コンサルティング、ナレッジマネジメント、ビジネスリサーチ, 求人, 外資系

Job Ref: NQJOR8

Responsibilities:

- Conduct in-depth research and deliver insights across various industries and subjects
- Manage research deliverables independently with limited supervision
- Support project teams in research planning, execution, and information management
- Contribute to product and service evaluations and assist in implementing improvements
- Maintain and track research assets, acquisitions, and end-user system updates
- Provide training, share knowledge, and occasionally mentor junior colleagues

Requirements:

- Bachelor's degree or above in information science or business from an accredited university
- 2-5 years of conducting business research in a fast-paced consulting, market research, or other professional services or equivalent is ideal
- Experience in using regular business research databases (Nikkei Telecon, SPEEDA, Factiva, LSEG/Refinitiv, S&P Capital IQ) is ideal
- Prior experience working with diverse stakeholders or cross culture is preferred
- Understanding commercial, multi-industry, and economic topics is a plus
- Fluent level spoken and written Japanese and English

会社説明

For over 25 years, in Japan, we have been a driving force in the Japanese bilingual recruitment market, providing high-quality candidates for our clients and access to the best jobs. We always put the interests of our clients and candidates first and run on a non-commission model that promotes a working culture where teamwork is incentivised. We strive to find the best fit for both employer and job seeker and don't push people into unsuitable roles.
