募集要項

A renowned financial services company is seeking an Operational Risk Management Team Member. The selected candidate will support risk assessment, analysis, and process improvement across the organisation.

A financial services and financial management consulting organisation, this company has a long history and operations spanning the globe. With a global workforce in the tens of thousands, this organisation is a true market leader.

Keywords:

金融サービス, オペレーショナルリスク,リスク管理, 求人, 外資系

Job Ref: YOHPAJ

Responsibilities:

- Analyse operational risk events and identify root causes
- Assess and recommend measures to prevent recurrence
- Conduct and enhance Risk and Control Self-Assessments (RCSA)
- Collaborate with business units to strengthen risk management systems
- Share information and align processes with overseas members
- Liaise and coordinate with domestic departments

Requirements:

- Experience in risk management (operational risk management), compliance, IT, or audit departments at financial institutions is a plus
- Prior experience in business process improvement activities or system development is preferred
- Interest in operational risk management and business/ process improvement
- Native level Japanese; business level English

会社説明

For over 25 years, in Japan, we have been a driving force in the Japanese bilingual recruitment market, providing high-quality candidates for our clients and access to the best jobs. We always put the interests of our clients and candidates first and run on a non-commission model that promotes a working culture where teamwork is incentivised. We strive to find the best fit for both employer and job seeker and don't push people into unsuitable roles.
