募集要項

Company Overview

Our client is a leading Manufacturing company headquartered in Canada, seeking an experienced professional SAP Finance Analyst, working at HCMC office.

Job Description

- Support SAP FICO and its integration with MM, SD, EWM, TM (incidents, enhancements, projects).
- Work with business users and AMS teams to optimize system performance and drive improvements.
- Participate in full project lifecycle: analysis, design, configuration, testing, deployment.
- Ensure solutions meet business needs and comply with internal standards.

- Lead development/testing, manage documentation, and oversee handover to support teams.

Requirements

- 1–2 years of SAP FICO (FI/CO/AA) configuration experience with strong financial accounting knowledge.
- Solid expertise in SAP FICO, S/4HANA processes, integrations, and best practice implementation.
- Experience with end-to-end activities such as data migration, cutover, go-live, and third-party integrations (e.g., Blackline, Kyriba is a plus).
- Strong communication, problem-solving, adaptability, and ability to train/share knowledge with others.
- Willing to work in a dynamic environment, be on-call when needed, and communicate effectively in English.
