### 募集要項

#### Job Description:

- **Monitor and optimize production processes** to ensure efficiency and quality standards.
- **Drive cost-reduction and productivity improvement initiatives** across operations.
- **Maintain accurate documentation**, including SOPs, technical reports, and compliance records.
- **Collaborate with cross-functional teams** such as Quality, Maintenance, and Safety to achieve operational goals.
- **Support new product introduction and process validation** to ensure smooth implementation and adherence to specifications.

**Notice:** By submitting an application for this position, you acknowledge and consent to the disclosure of your personal information to the Privacy Policy and Terms and Conditions, for the purpose of recruitment and candidate evaluation.
