募集要項

Key Responsibilities

- Coordinate and communicate with customers and contractors.
- Achieve assigned sales targets.
- Develop new relationships with customers, understand their needs, and prepare proposals.
- Maintain and strengthen relationships with existing customers through regular visits and engagement.
- Identify and develop new customers by creating strategies to win their business.
- Collaborate with customers and cross-functional teams to ensure timely delivery of products and services.

Qualifications

- Bachelor's degree in Engineering (Electrical Engineering is an advantage)
- 1–2 years of experience in Sales or Customer Service
- Experience in manufacturing sales or working with Chinese businesses is a plus
- Experience in selling pneumatic products or PLC-related products is an advantage
- Willing to work in the Rayong area (candidates residing in Rayong are preferred)
- Good command of Thai and English for daily communication, internal coordination, and report preparation
- Pleasant personality with strong self-motivation and work ethic
- Must hold a valid driving license and own a personal car
