募集要項

Key Responsibilities

- Partner with leadership to align HR strategies with business goals and drive organization design, workforce planning, and talent development
- Lead key HR initiatives including performance management, employee engagement, and change management
- Oversee General Affairs, administration, and employee services to ensure efficient and compliant operations
- Manage facility operations, ensuring workplace safety, regulatory compliance, and smooth infrastructure management
- Supervise IT support and logistics functions, ensuring system reliability and effective import/export coordination
- Lead cross-functional teams, set KPIs, manage budgets, and drive continuous improvement across HR and operational areas

Qualifications

- Bachelor's degree or higher in Human Resources, Business Administration, Management or related field
- Minimum 10 years of HR experience, with at least 5 years in HRBP or managerial roles
- Proven experience as HR Business Partner or HR Manager, preferably in manufacturing environments
- Strong knowledge of HR systems, performance management, and workforce planning
- Experience in budgeting, KPI setting, and organizational development
- Ability to manage cross-functional teams across HR and operational functions
