募集要項

Position: Purchasing and Warehouse Senior Manager

Location: Bang Phli, Samut Prakarn

Product: Alloy Wheels

Responsibilities:

- Plan, organize, manage, and continuously improve all purchasing and warehouse operations to ensure efficient and effective performance in compliance with company policies, standards, and applicable regulations.
- Comply departmental objectives, strategies, and annual operating plans aligned with company's business goals.
- Monitor departmental performance through KPIs and implement corrective actions to achieve targets.

- Lead problem-solving activities related to purchasing, inventory, warehouse and supplier performance.
- Coordinate and communicate effectively with internal departments and external suppliers to ensure uninterrupted material supply and customer satisfaction.
- Evaluate, develop, and maintain supplier performance, supplier databases, and supplier relationships.
- Lead cost reduction, cost-saving, value engineering, and Kaizen initiatives to improve operational efficiency.
- Develop, coach, and evaluate team members to enhance competency, productivity, and employee engagement.
- Ensure effective inventory control, material planning, warehouse accuracy, and ERP data integrity.
- Support internal and external audits and implement corrective and preventive actions where required.
- Ensure compliance with IATF 16949, ISO 14001, ISO 45001, customer-specific requirements, and company procedures related to purchasing and warehouse operations.
- Perform other duties as assigned by management.

Requirements:

- Bachelor's degree or higher in Supply Chain Management, Logistics, Engineering, Administration, or related field.
- 15 years of relevant experience in Purchasing, Procurement, Warehouse, or Supply Chain from manufacturing environment.
- Minimum 5 years of manager level in manufacturing operations may also be considered.
- Strong knowledge of purchasing processes, warehouse management, inventory control, import/export procedures, and supplier management.
- Experience using ERP systems for purchasing and warehouse management.
- Good command of both written and spoken English.
- Proficient in Microsoft Office applications.
