募集要項

Location: Bac Ninh, Vietnam

Employment Type: Full-time

We are seeking an experienced Operations Director to lead and optimize our precision manufacturing operations specializing in rubber and plastic components.

Key Responsibilities

- Lead overall manufacturing operations and drive Safety, Quality, Delivery, Cost, and People Development (SQDCP).
- Develop and execute operational strategies aligned with business objectives.
- Improve productivity, OEE, quality, delivery performance, and cost efficiency.
- Drive continuous improvement, automation, and digital manufacturing initiatives.
- Lead cross-functional teams to support business growth and operational excellence.

- Establish KPIs, performance dashboards, and a culture of accountability.

Requirements

- Bachelor's degree in Engineering, Manufacturing, Industrial Engineering, or related field.
- 15+ years of manufacturing experience, including 8+ years in a senior leadership role.
- Strong background in precision engineering manufacturing.
- Experience in rubber molding and/or plastic injection molding is highly preferred.
- Proven track record in operational transformation, productivity improvement, and team leadership.
- Mandarin and Vietnamese are required
