◀ Job Description & Position Highlights ▶

- Manage event operations for global companies, including venue coordination and logistical support
- Gain fulfillment by creating exceptional guest experiences through VIP support and cross-functional collaboration
- Utilize English and Japanese skills in a global environment with flexible event-based work arrangements
- Develop expertise in large-scale event management while driving customer satisfaction and operational excellence

【 Job Responsibilities 】

Nouvelle Médias is seeking an Event Coordinator to join our event team (4 people) in supporting high-touch events at a global technology company. In this role, you will serve as the central point of contact for event operations and facilities management, ensuring the seamless execution of events within the client's dedicated spaces. You will collaborate with internal teams, external clients, and vendor-partners to manage complex logistical needs. We are looking for a proactive professional with deep operational expertise who is committed to delivering exceptional service in a fast-paced environment.
*Working language: English and Japanese

< RESPONSIBILITIES >

- Venue management:
 - Serve as the central 'conductor' for the venue, orchestrating all logistical maintenance and execution, including catering, audio-visual, security, and swag/collateral to ensure the experience aligns with the client's vision.
- Calendar management:
 - Manage booking requests utilizing the client's internal system, and ensure calendar invitations are sent for planning meetings and speaker scheduling.
- Administrative duties:
 - Supply management, event documentation, and post event communications to key stakeholders.
- Event logistical operations:
 - Coordinate services such as audio-visual support, catering and security, timely budget management and event reconciliation, décor setup, hiring temporary staff, and lead space tours and demos.
- Cross-functional liaison:
 - Liaise and build effective cross-functional relationships across different levels within the immediate team and the client's organization to ensure strict adherence to client standards of operations.
- Communications:
 - Communicate with event organizers in English and Japanese, manage client expectations, and escalate issues as needed.
- Creative solutions:
 - Propose measures to enhance customer experience to achieve the desired event objectives.
