募集要項

Company: Japanese Company

Position: (Japanese Speaking) Corporate Planning Manager

Location: Amsterdam

Salary: Depending on experience

About the Role

We are seeking a highly motivated Corporate Planning Manager to join the team. This is a strategic business partnering role that supports senior management in driving business performance, long-term growth, and organizational success across the EMEA region.

The successful candidate will play a key role in business planning, performance management, executive reporting, and

strategic decision-making while working closely with stakeholders across Europe, the Middle East, Africa, and Japan.

Key Responsibilities

Strategic & Financial Planning

- Lead annual budgeting, mid-term plans, and long-term business planning processes.
- Coordinate budget cycles, quarterly business reviews, and strategic planning activities.
- Translate corporate strategy into actionable business plans and measurable objectives.
- Support strategic initiatives and business transformation projects across the region.

Performance Management & Business Insights

- Monitor business performance and key strategic initiatives.
- Analyze financial and operational results to identify risks and opportunities.
- Provide meaningful insights and recommendations to improve business performance.
- Lead monthly management reporting for EMEA leadership and headquarters.

Business Partnering

- Act as a trusted business partner to senior management and cross-functional teams.
- Support management meetings and strategic decision-making processes.
- Prepare executive presentations, business review materials, and board-level reports.
- Build strong relationships with stakeholders across EMEA and Japan.

Governance & Compliance

- Ensure adherence to corporate governance policies and internal controls.
- Promote transparency, compliance, and effective business management practices.
- Support continuous improvement of planning, reporting, and governance processes.

Who We Are Looking For

Required Qualifications

- Master's degree in Business Administration, Finance, Economics, or a related field.
- 5-7 years of experience in corporate planning, strategic planning, finance, FP&A, business controlling, or a related function within an international organization.
- Strong understanding of:

P&L management

Balance sheet management

Corporate finance

Business performance management

- Excellent analytical and problem-solving skills.

- Strong stakeholder management and presentation skills.
- Fluency in both Japanese and English (written and spoken).

Preferred Qualifications

- Experience working with regional headquarters and global stakeholders.
- Ability to operate effectively in a multicultural and international environment.

We regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
